REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Myrtle Beach Elementary (NMBE) is a wonderful community school with a rich heritage of parental involvement and community support. More than 680 students and 80 staff members call NMBE home. Last year we received the South Carolina Palmetto Gold Award which recognizes high levels of student achievement. NMBE was also recognized by the South Carolina Education Oversight Committee for "Closing the Achievement Gap" among all student subgroups for the fifth consecutive year.

School-wide instructional initiatives for the 2007-08 school year included a professional development focus on effective mathematics instruction, small group intensive reading intervention for at-risk students, integration of literacy in the content areas, and the use of the Measures of Academic Progress (MAP) data to differentiate instruction for all students. The MAP assessments are used to identify student strengths and weaknesses. MAP provides teachers with valuable diagnostic information for each student in the areas of reading, language, and mathematics. Teachers celebrate with students when they meet or exceed their target goals on MAP.

Civic, personal, and social responsibilities were taught through classroom guidance lessons, service learning projects, and Lifeskill Leaders, Second Step, and Say No to Bullying Programs. Students participated in several service learning projects during the year. Our school's Kiwanis Kids Club led our school in a "Change for Charities Campaign" which provided financial support to the American Cancer Society, the American Red Cross, and the March of Dimes. Students participated in the American Heart Association's annual Jump Rope for Heart campaign. Students also collected soft-drink tabs to support funding for the Ronald McDonald House.

The success of any school requires the support of an active PTO, faithful volunteers, generous business partners, and involved parents. The PTO sponsored many programs, including a Holiday Bazaar, Sweetheart Dance, and Sun Fun Spring Fling. The PTO raised more than \$26,000. PTO collections were used to purchase a school yearbook, spirit t-shirt, and academic planner for every student. Funds were also used to support a motivational assembly for students and to provide appreciations for teachers. The PTO recognized a "Staff Member of the Week" each week and provided appreciation breakfasts and luncheons throughout the year. We were fortunate to have over 30 local business partners who provided incentives for students and staff members. Over 140 faithful volunteers devoted time in our school each week, serving as mentors and tutors, reading with students, working in the school office and media center, chaperoning study trips, assisting teachers, and working during field day events and other school-wide activities.

School-wide goals for 2008-09 will include a focus on balanced literacy, school safety, differentiated instruction for all students, and enhanced learning through the use of technology.
